THEJAS PRAKASH

Retail Operations Manager | Multi-Store Operations | Dubai, UAE
Dubai, United Arab Emirates | 0507876304 | tejezprakash@gmail.com

PROFESSIONAL SUMMARY

Retail Operations Manager with 10+ years of UAE experience, currently overseeing 8 branches across 8 Dubai malls with a team of 50+ staff. Strong record in multi-store operations, workforce management, vendor and procurement coordination, mall management relations, and cost control. Skilled at negotiating rent concessions and operating-cost reductions with mall managements, and at keeping stores compliant with fire and safety, facilities, and UAE labour regulations. Finance and accounting background (VAT, budgeting, reconciliations) supports sound commercial decisions and tight expense control. Experienced with Odoo 19 ERP.

CORE COMPETENCIES

Retail Operations Management | Multi-Store Management | Mall Management Relations | Lease and Concession Negotiation | Cost Reduction and Expense Control | Workforce Planning and Supervision | Store Compliance (Fire & Safety, Hassantuk) | Vendor and Supplier Management | Procurement and Logistics | Facility Management (HVAC, MEP, AMC) | Budgeting and Financial Reporting | Process Improvement | Staff Onboarding and Scheduling | UAE Labour Law and MOHRE Compliance

PROFESSIONAL EXPERIENCE

Admin & Operations Manager
JUST OPTIC, Dubai, UAE | Aug 2025 – Present

- Manage end-to-end operations of 8 retail branches across 8 Dubai malls, ensuring consistent service standards, store readiness, and business continuity
- Supervise and coordinate 50+ store staff, allocating duties, planning shifts, and supporting operational planning across all locations
- Negotiate with mall managements during challenging trading periods to secure further concessions and implement additional cost-cutting measures
- Liaise with mall managements on fire and safety compliance, Hassantuk, pest control, and HVAC and MEP AMC requirements
- Coordinate vendors, procurement, logistics, facilities, and store supplies to keep all branches fully operational
- Monitor budgets, expenses, petty cash, and monthly closing; coordinate with banks, suppliers, and auditors
- Oversee store-level HR administration including recruitment support, onboarding, contracts, attendance, and leave tracking
- Manage government compliance for all branches, including trade licence, visa, labour contract, and Emirates ID renewals through MOHRE, GDRFA, ICP, Amer, and Tasheel
- Use Odoo 19 for operational and financial processes

Senior Accountant / Admin
Al Dalil Al Handasi Building Contracting LLC & Al Falah Architecture and Engineering Consultancy, Sharjah, UAE | Apr 2021 – Aug 2025

- Led full-cycle accounting for two sister companies, including AP/AR, bank and supplier reconciliations, cash flow, and budgeting
- Negotiated with suppliers and subcontractors, and verified delivery notes against purchase orders during site inspections
- Handled VAT registration and quarterly filing, corporate tax registration, and WPS payroll processing
- Prepared weekly, monthly, and year-end financial reports; supported audits and trained junior staff

Finance Executive – Branch In-Charge
Arooha Tours & Travel UAE, Sharjah, UAE | Jan 2018 – Mar 2021

- Managed branch operations and accounting, including AP/AR, payroll, bank reconciliation, and VAT

- Coordinated suppliers and corporate customer accounts; prepared financial forecasts and management reports

Finance Executive – Receivables
Musafir.com, Abu Dhabi, UAE | Oct 2015 – Jan 2018

- Managed corporate and retail receivables, invoicing, collections, and month-end reporting
- Performed bank reconciliations and set-offs to keep customer accounts accurate
